**Dear Parents,**

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that you will soon have the facility to make payments for school expenses, such as **trips** and **school dinners** online with your debit or credit card. You will also be able to choose your child's meals from the online menu. **This will be available from 16<sup>th</sup> April 2018.**

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for items from the comfort of your own home but you will also be able to access your account at any time to see if there is anything you need to pay for. **SchoolMoney** will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we will send you a password before 16<sup>th</sup> April. This password will give you access to your **SchoolMoney** account where you can pay for any items we have requested from you.

To log into **SchoolMoney**, visit the website [www.schoolmoney.co.uk](http://www.schoolmoney.co.uk) and enter your mobile number, email address and the password we have sent to you. If for any reason you are struggling to log in, it may be because you have not provided us with the correct contact details. Please let us know immediately if either your mobile number or email address changes.

We appreciate your cooperation in the early stages of rolling this system out to you.
