Dear Parents

Swimming – Class 3 - Years 3 & 4

Your child's swimming session will commence on Tuesday 11th September 2018 and continue through to Tuesday 12th February 2018. A total of 18 weeks.

Our charges to you cover the cost of the swimming instructors, the entrance to the pool and transport to and from the pool. In the past we have been able to offer subsidised swimming but unfortunately we are unable to continue to do this. If we cannot meet the costs of swimming from your voluntary contributions then we may have to review the number of swimming lessons we can offer.

The total charge for both terms is £78.00 which is based on the whole class attending. The payment has been set up on School Money as four instalments of £19.50 but you can pay this in one lump sum if you wish. This charge is a significant reduction on the cost last year due to an increase in pupil numbers.

Girls should wear a one-piece costume and boys should not wear long shorts. **A swimming hat is compulsory and can be purchased at the cost of £1.00 from the school office should you need one.** All children must be able to dry and dress themselves.

To help with our arrangements it would be very useful if you could note on the reply form below your child's experience in water and return to school as soon as possible.

If you have any concerns about the cost of swimming, please contact me directly.
Thank you.

Yours sincerely

Miss E Prokipczuk
