

**ULLESTHORPE CE PRIMARY SCHOOL – PUPIL PREMIUM WEBSITE STATEMENT**

The Pupil Premium is allocated to schools for children who are currently known to be eligible for free school meals (FSM), those known to have been eligible in the last six years, children of service families and children who are or who have been in local authority care. It was introduced in April 2011 and is intended to narrow the attainment gap between disadvantaged pupils and their peers.

In the **2017 to 2018** financial year, schools receive the following funding for each child registered as eligible for free school meals at any point in the last 6 years:

- £1320 for pupils in reception year to year 6

Schools also receive £1900 for each pupil who has left local-authority care because of 1 of the following:

- Adoption, a special guardianship order, a child arrangements order, a residence order

Children who have been in local-authority care for one day or more also attract £1,900 of pupil premium funding. Funding for these pupils doesn't go to their school; it goes to the virtual school head (VSH) in the local authority that looks after the child. VSHs are responsible for managing pupil premium funding for looked-after children.

Schools receive £300 for children recorded as service children from the Ministry of Defence.

Our total funding through the Pupil Premium for the financial year 2018-19 is expected to be **£18,068** plus a carry forward of £7808 from the academic year 2017/18. We will use the funding to ensure children are able to access extra-curricular opportunities as well as trips and residential. We will also put in additional support to ensure children make expected progress academically. This will be through small group and 1-1 support particularly in phonics. Staff will make sure they understand children's barriers and needs prior to support being put into place. ELSA support and play therapy will continue to form a part of provision.

Currently, the majority of pupils attending Ullesthorpe who are entitled to the Pupil Premium are working in line with age related expectations (ARE) in the core areas of reading, writing, communication and mathematics. Where they are not, it is related to special educational needs. Additionally, the vast majority have made at least expected progress from their starting points.

The funding last year totalled £24,637. This was spent as follows leaving a carry forward of £7808:

Pupil Premium used for: financial year to 31/08/16	Amount allocated % of funding	Details year group / pupils / timescale	Impact:
Trips / residentials / enrichment activities / resources	8%	7 pupils (all classes)	As a consequence of making funding available, all entitled pupils were able to access relevant resources, trips and residential. This enabled full participation in the wider curriculum including outdoor and adventurous activities; including for children from Traveller heritage.
1-1 or small group tuition /emotional literacy / play therapy support	60%	All (12 pupils)	This enabled accelerated progress for targeted pupils leading to improved attainment. Emotional literacy support was key to enabling specific children to be in a position to learn.

The table below shows the comparative progress by children entitled to the pupil premium against their peers during the academic year 2017/18. Due to low numbers of entitlement to pupil premium funding, information is kept to a minimum to avoid identification of children.

Group sizes	MAKING AT LEAST EXPECTED PROGRESS BASED ON PRIOR ATTAINMENT		
	READING	WRITING	MATHEMATICS
<b>End of Foundation Stage</b>			
Pupil Premium (3)	100%	100%	100%
Non pupil premium (15)	100%	87%	100%
<b>End of year 1</b>
