

Inspiring Primaries Academy Trust

Inspiring pupils to achieve for their tomorrows

CHURCH LANE – GILMORTON – LUTTERWORTH – LEICESTERSHIRE - LE17 5LU – TELEPHONE: 01455 552 343

Tuesday 18th December 2018

Dear Parent / Carer

Following prospective changes to leadership within Inspiring Primaries Academy Trust, the Trust Board, in conjunction with Local Governing Bodies, has determined the best way to strategically lead our Trust schools both in the short term but also long in to the future, ensuring your children and children of the future have access locally to education of the highest quality.

Our proposal is to appoint a substantive, strategic Executive Principal to lead All Saints, Sharnford and Ullesthorpe CE Primary Schools with each school having a full-time Head of School in post to deal with day-to-day, operational issues. The Head of School will have a teaching commitment dependant on the size and needs of the school.

This will be the first executive hub within Inspiring Primaries Academy Trust. It is of utmost importance that we recruit a strategic Executive Principal who is able to further develop the distinctive nature of each school within its local community, communicate effectively with the children, yourselves, staff, governors, trustees and other leaders whilst impacting positively on outcomes for all pupils within the schools. We will also be looking to appoint the Heads of School. It is vital that all appointees take the time to get to know children, staff, parents and governors of the schools they lead.

As a Trust we believe passionately in serving our children and our local communities to the best of our ability. Should you have any queries or comments regarding any of the above, please do not hesitate to contact me via ceo@inspiringprimaries.uk

Meanwhile, we would like to take this opportunity to wish you a joyful Christmas and a happy new year.

Kind regards

Marie Sandford
CEO Inspiring Primaries Academy Trust on behalf of the Board of Trustees

RESPECT - PERSEVERANCE - COMMUNITY

Our vision is to develop independent, lifelong learners in partnership with the communities we serve.
