24th January 2019

Dear Parents,

Big Bang UK Young Scientists & Engineers Fair – NEC Birmingham

We are arranging a visit to the above event on Friday 15th March 2019.

This event is aimed at young people and has hundreds of activities and workshops for all ages to explore. It will give the children a better understanding of how important scientists, engineers and mathematicians really are and how they shape the world around us.

We aim to leave school at 9.00am and return from the venue at approximately 2.15pm to be back by the end of our school day. The children will need a packed lunch for this visit.

School uniform must be worn and we suggest comfortable footwear as this is a large event. Caps and hooded fleeces are prohibited.

The PTA has made a generous donation towards transport costs and therefore the price per child will be £8.75. Payment for this can be made as usual on School Money. If you do not have access to the internet, please make your payment at the school office either by cheque or cash.

If you would like further information about the fair, please visit their website at www.thebigbangfair.co.uk

Yours sincerely,

Mr D. Tithecott
Class Teacher
