Inspiring all to flourish and succeed

WHAT IS IT?

'Pupil premium' is **additional funding** for our school to ensure we can support all pupils to **achieve their best.**

It's not a personal budget for individual pupils, but we will aim to **prioritise the academic support** of eligible pupils with it.

WHO'S ELIGIBLE?

Your child may be eligible if you receive: income support, jobseeker's allowance, employment and support allowance, asylum seeker support, universal credit, child tax credit, working tax credit, or state pension.

HOW DO I APPLY?

Remember: Our school can only receive pupil premium for your child if you claim it.

Get in touch with **Leicestershire County Council** as soon as possible to see if you're eligible.
