

Friday Flyer –8th May 2026

This week's Friday Flyer is loaded with information about what's happening here at Ullesthorpe during the next few weeks! We endeavour to keep you updated and will try to give you as much notice as is possible of events happening in the lead up to the end of term. Thank you for your continued support.

Year 6 – SAT's Week

On this coming Monday 11th May our Year 6 children will begin sitting their SAT's tests, with the last day of the tests being on Thursday.

Our Year 6 children can be brought in to school at 8.30am on these dates, where a continental SATs breakfast will be on offer in the hall of croissants, toast and juice etc. Our thanks to the PTA for funding this offer again this year - it is a really positive start to each of the SATs days; helping the children to feel fuelled, relaxed and ready to give their best!

Year 6 SATs results are used to measure both the school and each child's progress and achievements in spelling, punctuation & grammar, reading and maths.

All our Year 6 children need to be in school on time and ready to start their SAT's promptly during this week, so if your child is unwell and unable to attend, please let the office know as soon as possible.

We politely ask that, if at all possible, parents and carers avoid visiting or telephoning into the school office between 9am and 11:30am on these four SATs mornings, to reduce the likelihood of disturbing the children sitting their tests in our smaller rooms adjacent to the office.

Thank you for your continued support.

Staying Sun-Safe

As the weather warms up, we want to ensure that the children remain comfortable and protected while they are outdoors.

Could we please ask for your support with the following:

Suncream: Please apply all-day high-factor suncream to your child before they arrive at school.

Hydration: It is more important than ever that every child has a named water bottle in school every day.

Sun Hats: Children are more than welcome to bring suitable named sun hats to wear during break times to provide extra shade.

School Census Day

This is on Thursday 21st May for all Primary schools.

What is Census day?

Census day is an official **data collection day** when our school provides the government with information about our pupils, staff, and resources, used to determine funding. In Key Stage 1 (Reception, Year 1, and Year 2), **the number of Universal Infant Free School Meals taken on census day directly influences the school's funding.**

So we would like to encourage **ALL KS1** children to book a hot school meal on Thursday 21st May!

There will be a special menu on this day and the theme for this year is **“Jurassic Munch”** please see menu below.

Also on this day, Taylor Shaw, our lunch providers, are running a **“design your own T-shirt”** competition along this theme and the winning entry will win their design printed on a T-shirt for the whole class. Design leaflets will be sent home.

JURASSIC MUNCH Design a T-Shirt **IF YOU DARE!**
Design your own Jurassic Munch T-Shirt and **WIN** your design printed on a T-Shirt for you and your classmates!
What colours, pictures or patterns would you use?
Be as bold and adventurous as you like!
Please give your completed entry form to your teacher by Friday 5th of June 2026.
Please keep your design inside the dotted line.

Pupil name _____ Class/year group _____
School name _____ Postcode _____

Monday 25 th May – Friday 29 th May	Half Term
Monday 1 st June – Thursday 9 th July	Summer Term
Friday 10 th July – Monday 24 th August	Summer Holiday. (No School on Friday Teacher Training Day)

Attendance

Can we remind parents to contact the school office before 9.30am if your child is going to be absent so that we can mark the register accordingly.

Friday Flyer –8th May 2026

If we do not know the reason why a pupil is absent, then this will be marked as an unauthorised absence and we may have to raise a safeguarding concern also. Please contact school via phone or email at:

ullesthorpe@ipat.uk

GOOD ATTENDANCE MEANS BEING IN SCHOOL AT LEAST 95% OF THE TIME (180 – 190 DAYS).

There are 175 non-school days per academic year for family time, visits, holidays and shopping.

What the government says about school attendance:

At KS2, pupils who attend school nearly every day in year 6 (with an attendance rate of 95-100%) were 1.3 times more likely to achieve the expected standard in reading, writing and maths, compared to pupils who only attend 90-95% of the time. **This means missing just 10 days of year 6 reduces the likelihood of reaching the expected standard by around 25%.**

Pupils who attend everyday are 1.8 times more likely to achieve the standard than persistently absent pupils who only attend 80 – 90% of the time (relating to 4-6 weeks more time in school). DFR Report. Link between attendance and attainment:

https://www.gov.uk/government/publications/link-between-attendance-and-attainment?utm_medium=email&utm_campaign=govuk-notifications-topic&utm_source=e6e8cd73-0c3d-4532-b222-35984e1d594f&utm_content=daily

Safeguarding

Safeguarding is everyone's responsibility. If you have concerns about the welfare of any child, then you have a responsibility to call the First Response Children's Duty Team on 0116 305 0005.

Further advice/ support on this can be obtained from our Designated Safeguarding Leads: Mrs Allen, Mrs McMurrin or Mr Gray.

No Nuts or Sesame Seeds please -

Thank you for helping us to keep all of our children safe and well
