

Half-Termly Homework Grid

Optional- Complete one Topic box per week.

English- Poetry Write a poem about a topic of your choice. Can you include assonance, alliteration, rhyming or similes in your poem?	Reading- Greta and the Giants Draw a picture of the forest before the Giants came and then after when they built the city.	Science- Rocks Make your own pretend fossils or prints of fossils of bugs, insects or plants by using different materials such as play dough, plasticine, clay. Or you may wish to draw it in your book.
History- Stone Age Create your own cave art using materials of your choice: clay carving, pencil, pens, charcoal, oil pastels, paint.	History- Stone Age Create a leaflet for 'How to survive in the Stone Age'. Think about what that guide may include. E.g. clothing, food, shelter, weapons etc.	Geography-Map and fieldwork Go for a walk in your local area. Make a list of all the human and physical features you can see.
Art- Painting and drawing Get creative. Make your own drawing/painting in the style of Van Gogh. Think about the markings you will include to add texture.	RE- Creation How often do you stop and wonder at how amazing the world is? Collect or draw images of natural things that make you marvel.	DT- Food and nutrition In DT we will be looking at balanced diets. Create your own Healthy eating menu including a meal for breakfast, lunch and dinner, as well as drinks too.
Weekly Reading Read at least 3x weekly – even better if you read for 10 minutes every night! Read your banded book at least twice – read out loud to an adult to practise fluency and expression.	Weekly Spellings Use the “read, split, sound, write check” sheet to practise your weekly spellings. During the week, keep practising any you are not confident about. We will do a weekly check to monitor your progress.	Maths/English Complete any Maths or English sheets sent home Log into IDL 2 or 3 times a week and complete some of the Literacy and Numeracy units.
